

DEPARTMENT OF ELECTRICAL AND COMPUTER ENGINEERING

The George Washington University | School of Engineering and Applied Science

The Department offers graduate programs leading to the degrees of **Master of Science** and **Doctor of Science** in

Electrical Engineering.

with Areas of Focus in

Biomedical Engineering

Communications and Networks

Electromagnetics

Signal Processing, Systems, and Control

Computer Engineering

with Areas of Focus in

Computer Architecture and Networking

Microelectronics and VLSI systems

Multimedia

Telecommunications and Computers (MS only)

with Areas of Focus in

Telecommunications Networks

Telecommunications Network Security

All programs can be pursued on a part-time basis, as well as full-time, and courses of interest can be taken individually. All classes are held in the late afternoon and evenings with some classes offered on Saturdays as well. For more information please consult www.ece.gwu.edu or email us at ecegrad@gwu.edu
